She could do any discipline and would make a great competition horse for a smaller rider with a small budget.

“Great Song” is a 2008, 15’3 hand, bay Thoroughbred mare. She is very well bred and has been very successful in racing with over 270k earned on the track. She has been family owned for most of her racing career. This ia special kind sweet mare looking to retire sound into a show home. She has accomplished all she can on the track and now is looking to continue in the show ring. She is very easy to ride, vice-free and surprisingly her legs are tight and cold.

“Sin” is a 2011, 15’3 hand, bay Thoroughbred mare. She is vice-free, an easy keeper and she loves attention. She is good to ride on the track and has lovely movement that would make her a dressage star.

“Ranger” is a 2014, 15’2 hand, bay Thoroughbred mare. She is super sweet and has no vices. She is good to ride and perfect on the ground. Her only flaw is that she is pigeoned toed up front so we would like to place her in a non-jumping home. She will be your next sweet partner whether it is down the trails or on the flat.

“Maxwell” is a 2014, 15’3+ hand, bay Thoroughbred mare. This girl has a ton of flash and potential. Her owners do not want her to return to racing and would like her to be placed in a show home. She should have no affects from this knee injury with the proper down time. It was not displaced nor did it require surgery and has healed nicely on its own. She could go in any direction with the right patient person.
